forest for the supply of sleepers to the S. M. Ry Company, and as the supply of sleepers has ceased, the President considers that the exemption should no longer be continued to the timber traffic of Messrs Nagappa & Co. While the Dy Conservator also is of this opinion, the Conservator thinks that it is Govt property as during transit to Mysore timber is Govt property and the delivery of timber by the Forest Dept to the contractors is given at Mysore, though the timber is carted from the jungle at the cost of the Contractors.

3) In the linked file Fo 378-08 the question as to what kind of Govt property is to be exempt from payment of toll is under the consideration of Govt & the Residency has been requested "to obtain information regarding the practice prevailing in Madras & Bombay.

Sir,

In submitting herewith Correspondence ending with the Forest Conservator's No. 1084 of the 4th June 1910, re the exemption from payment of tolls of timber carts of Dasaru Nagappa and Co., I have the honour to invite your kind reference to the preamble of Government order No. 2004-5 LB. 33-2 of the 7th September 1904, from which it is understood that the exemption granted to the Company extended only upto the time it supplies sleepers to the Southern Maharatta Railway. As

As the Supply to the Railway has since Ceased, I concur with the View expressed by the District Forest officer in his No. 752 of the 13th. April 1910, that toll should be levied. Seeing that the District and Provincial Funds are losing their income from tolls owing to exemptions like the one in question, Claimed by people now and again, being Conceded. I request you to be good as to obtain early orders of Government on the Subject. The file of papers may be returned when done with.

I have the honour to be,

Sir,

Your most obedient Servant,

President of District Board

Mysore District
